MONTESSORI**  
Nurture Educate Inspire **SCHOOL**

Dear Prospective Parents,

We are now accepting applications for the 2012-2013 school year, starting September, 2012. North Shore Montessori School is now located at 121 Wethersfield Street, Rowley, MA. 01969. The new school is beautifully set on one-and-a-half acres of land, far from busy traffic and street noise. The new classroom environment is very spacious, with designated activity and work areas, such as the kitchen, a reading nook, and a "peace-loft", made out of birch trees.

The North Shore Montessori School strives to serve the educational needs of children and families located in and around northern New England, by offering an exceptional Montessori education for children age thirty-two months through age six. Our focus in applying Montessori principles is to give each child the opportunity to be nurtured, educated and inspired at his or her own unique pace in order to optimize their personal educational experience.

Enclosed please find the application form, program descriptions, and tuition information. After the application has been received and processed, you will be contacted to make an appointment for an observation day for you and your child. Once the observation and interview process have been completed, both parent and NSMS agree to all terms and conditions, are comfortable and acquainted with the school and staff, and have addressed any and all special needs or requests pertaining to the child, North Shore Montessori School is pleased to offer your child a place in our school.

*To ensure that your child is guaranteed a space for the September 2012-2013 school year, please complete this application. You must also complete the observation and interview process. Space is limited. There is a waiting list for reserved spaces for the following school year.*

To make an appointment to visit us, or if you have any questions or concerns, please feel free to contact us via email or telephone. I look forward to meeting with you and your child.

Sincerely,  
Margaret Henry

All North Shore Montessori School programs adhere to the philosophy and curriculum of Maria Montessori. The classroom environment is enriched with the full range of Montessori didactic materials.

### **Program 1 - The Children's House**

- **A five morning program** for children aged two years and nine months to age six  
The program hours are 9:00 a.m. -12:00 p.m., Monday through Friday. This program works best when children come all five mornings.

**Program 1A** - Three Morning Program (three consecutive days)

**Program 1B** - Four Morning Program

### **Programs 2, 3, and 4 - The Children's House (Pre K) Extended Care Program**

- At 12:00 noon the morning children are dismissed and the extended day children get ready for lunch, clean up and story and naptime. On their cots they listen to a few stories and those who nap do so and the others are allowed to get up after 30-45 minutes of rest time.
- **Pre-K children** are offered a more relaxed academic environment. This program is combined with traditional Montessori materials and other creative activities. When appropriate outdoor recess activities are always a priority.

### **Program 5 - The Children's House Extended Kindergarten Program**

- At 12:00 noon the morning children are dismissed and the extended day children get ready for lunch, clean up and story time. On their cots they listen to a few chapters of a more involved book for about 15-20minutes. The afternoon hours focus on extending the curriculum designed to produce the maximum potential through curiosity, creativity and hands on exploration. We support both indoor and outdoor environment as we explore nature and the great outdoors as well as participating in field trips.
